

Consumer's Optical

CONSUMER'S OPTICAL

RED DEER,
ALBERTA

- End Use: Optometrist Office & Dispensary
- Size: 3,300 sq. ft. Tenant Improvement
- Project Delivery Method: Public Tender Bid
- Architect: Group 2 Architecture
- Completed: 2009
- Notes:
 - Challenges included working in a functioning and busy mall, ongoing changes to the site plan and creating the arch entryway support.
 - When key materials were unavailable to meet the timeline, Scott Builders worked with subtrades and suppliers to offer alternative materials or temporary solutions until the anticipated finish arrived.
